

RENEWABLES REVOLUTION - WHAT'S IN IT FOR ME?

An interactive conversation on the current and future trends of rural energy in Aberdeenshire.

Come and hear experts from Active Renewable Energy Systems, Robert Gordon University and the University of Aberdeen discuss the current status of domestic energy and have your say in how it impacts us all in Aberdeenshire.

Thursday 18 November 2010

7.30pm - 9pm at Archaeolink, Oyne AB52 6QP

**FREE event with refreshments and
ample parking - no booking required**
